Safety Council Warns of Danger In Medicine Chest

Aspirin can be as deadly as an asp—if eaten in quantities by young children.

The 1955 edition of "Accident Facts," the statistical yearbook of the National Safety Council, just off the press, shows aspirin and the salicylates to be the most common drug killers of young children. Barbiturates are next. Aspirin is frequently kept in the family medicine chest within reach of children, the council says.

Accidental poisoning is one of the principal causes of home deaths among children under five years old. Three main groups of poisons cause 99 per cent of the deaths; drugs (35 per cent), petroleum products, of which kerosene is the most important (26 per cent), and products for external use (38 per cent).

Lead is the No. 1 killer among the external use products, and arsenic is second. Caustics, such as lye, cresol and ammonia, rat poisons and fly sprays also rank high. Other dangerous products include shampoos, rubbing solutions, bleaches, moth balls and furniture polish.

Many Events Will Attract Motorists Over Week-end

Many northern California cities, towns and resorts are providing special week-end attractions for the week-end motorist and his family.

There's a salmon derby at Trinidad, from June 15 to Sept. 30; another salmon derby at Sausalito started on July 23 and lasts until Sept. 16, and still another salmon and cod fish derby at Monterey, which started May 1 and runs to Sept. 5.

Other entertainment on the menu is listed briefly as follows: Napa District Fair—Aug. 11-14. Modoc Rodeo, Alturas—Aug. 13-14. Plumas County Fair and Rodeo, Quincy—Aug. 11-14. Placer County Fair, Horse Show, and Rodeo, Roseville—Aug. 11-14. Stanislaus District Fair, Horse Show and Rodeo, Turlock—Aug. 8-13.

Woodminister Light Opera Series, Woodminister Amphitheater, Oakland—Aug. 12-13 and 19-20. Annual Mid-Summer Music Festivals Sigmund Stern Grove, San Francisco—Sunday afternoons through August. San Mateo County Fair and Floral Fiesta, County Fairgrounds, San Mateo—Aug. 5-13. Old Spanish Days, Santa Barbara—Aug. 10-11.

In listing these entertainment programs the Travel and Recreation Department of the California State Chamber of Commerce advises: "Wherever you go, make the trip a real pleasure for yourself and others—keep your highways safe by driving carefully; keep your highways clean by carrying a 'trash bag' in the car."

Beauty from order springs.—William King.

CHRIST LUTHERAN
Pastor George H. Mueckling
Christ Lutheran Church, Ashbury,
at Stockton Ave., El Cerrito, an-
nounces the introduction of a sec-
ond Sunday morning service, be-
ginning this Sunday at 8:30 a.m.
This additional worship service has
become necessary because of the
growing attendance at Christ Lu-
theran Church, Pastor Mueckling
will give the same sermon med-
itation weekly at both services, but
at the early worship the Matin
order of service will be employed.

Sunday School at 9:45 a.m. and
regular worship service at 11 a.
m. will continue as previously.

Sunday's sermon topic will be a
continuation of the consecutive
study of the Letter to the Ephes-
ians and will be entitled "God's
Second Chance."

ST. ALBAN'S EPISCOPAL
Services on the Ninth Sunday
after Trinity at St. Alban's Episco-
pal Church, Albany, will begin with
7:30 a.m. Celebration of Holy Com-
munion.

Junior Church, which includes a
story for children and the birthday
thank offering, will be a part of
the 11 a.m. service of Holy Com-
munion. Then the younger chil-
dren may be excused to go to the
nursery or to go home. Older chil-
dren may stay through the entire
service. The sermon by the rector,

he Rev. John Hathaway Black-
idge, is entitled: "Repentance Ver-
us Self - Righteousness."
This service is followed by a
coffee hour, to which all are in-
vited.

CHRISTIAN SCIENCE

The fact that spiritual under-
standing of God results in practi-
cal goodness, health, and power
will be stressed at Christian Sci-
ence services Sunday.

Readings from the King James
Version of the Bible and "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy com-
prise the Lesson - Sermon entitled
"Spirit."

Among the passages to be read
from Science and Health is the
following (99:23): "The calm,
strong currents of true spirituality,
the manifestations of which are
health, purity and self-immolation,
must deepen human experience, un-
til the beliefs of material exist-
ence are seen to be a bald im-
position, and sin, disease, and death
give everlasting place to the sci-
entific demonstration of divine
Spirit and to God's spiritual, per-
fect man."

The Golden Text is from Ephesi-
ans (5:9): "The fruit of the Spirit
is in all goodness and righteous-
ness and truth."

GRACE LUTHERAN

"Christ's Estimate of Earthly
Goods," will be the sermon topic
of Rev. O. R. Janke, pastor, in
the 8:30 a.m. and 11 a.m. services
next Sunday at Grace Lutheran
Church, Santa Fe Ave. at Ward.

The lesson topic for the graded
classes of the Sunday School meet-
ing at 9:45 a.m. will be, "Naboth's
Vineyard." The Parish Bible class-
es meet at the same hour.

Accident Rate

For 1954 Best All-Time Record

The good old days weren't as
good as right now when it comes
to work accidents.

The on-the-job accident rate for
1954 was the best on record, ac-
cording to the 1955 edition of the
National Safety Council's statistical
yearbook, "Accident Facts," just
off the press. It marked the eighth
consecutive year in which the ac-
cident frequency rate of the coun-
cil's industrial members has come
down.

The 1954 rate is less than a
fourth of the 1926 rate.

Reserve Board for Bank of Amer-
ica (International), wholly owned
subsidiary of Bank of America, it
was announced in San Francisco
today by Russell G. Smith, execu-
tive vice president in charge of in-
ternational banking activities for
the parent bank.

In addition, Smith stated, the
United States Treasury Depart-
ment has directed Bank of Amer-
ica (International) to open two
offices in France for the conveni-
ence and service of units of the
Air Force stationed there. These
two offices will be located at Dre-
ux and Evereux in Normandy, ap-
proximately 60 miles west and
northwest of Paris. They will op-
erate as agencies of the new Paris
branch.

The Paris branch will be located
at 9 Boulevard de la Madeleine and

ing the branch and two offices
approximately October 15, Smith
said.

ganized in 1950 to engage in in-
ternational bank activities. In 1953
it opened its first branch in Dussel-

Formerly Bank of Berkeley

It's a little like getting married...

Everything looks about the same. There's
a new name on the door . . . but you don't change
a bank's personality any more than you change
a bride's when you change names. Instead,
you add things . . . new strength,
new capacities, new opportunities for service.

The union of Bank of Berkeley and
The Bank of California combines two banks
of similar ideals and purposes. To that union
Bank of Berkeley brings an able staff and many
East Bay friends. The Bank of California offers
the experience of 91 years and the strength
of a tri-state system serving California,
Oregon and Washington.

We are proud to announce that these two great
banks have joined together, and to tell you
that we are "at home" from 10 to 3 Monday
through Thursday and from 10 to 6 each Friday.
